

Overlooking Washington Blvd. Entrance  
COBO HALL AND ARENA  
Detroit, Michigan

Largest convention and exhibit facility in the world, filling 17 acres of land in the 75-acre Civic Center at the hub of Detroit, and enjoying an outstanding vantage of the world's busiest waterway — Detroit River. Built at a cost of \$55,000,000, joint facility provides Detroit with unequalled facilities for national shows, conventions, civic affairs, festivals and sports events.

Friday

Dear Mrs Casperson:

Arrived safely yesterday & settled at Statler Hilton hotel. This is the hall where we meet. Huge place. We have met so many old friends from Europe & school days. Didn't know we had so many friends. The streets are full of our people, one meets them everywhere. What a wonderful privilege it is to be here. There were 11,000 last night but many more today & tomorrow it will be very crowded. Greet Mrs. Colvin & Miss wife. Love H. Durst & Gust
